

Canadian recording artist **Sheila Deck** has a brand new album she wants the world to know about. It's been a labor of love like nothing else in her life ever has, outside her daughter. The album was recorded in Vancouver and produced by multiple award winner Tom McKillip. The CD is full of carefully culled songs featuring songwriters like Victoria Banks, Gretchin Wilson and Sheila herself. The songs are all aimed straight between the eyes of contemporary country radio. Her CD Launch kicks off at Casino Regina Show Lounge Dec.3<sup>rd</sup>,2009. A show you don't want to miss!
